QUESTION 9:

Now I would like to read you the names of several individuals and groups who have been mentioned in the news recently. As I read each one, please tell me whether you have a very favorable opinion of that person, a somewhat favorable opinion, a somewhat unfavorable opinion, or a very unfavorable opinion. If you don't feel you can rate that person or don't recognize the name, just say so.

Tommy Thompson

Table 17-2

QUESTION 16:

Now I would like to read you the names of several individuals and groups who have been mentioned in the news recently. As I read each one, please tell me whether you have a very favorable opinion of that person, a somewhat favorable opinion, a somewhat unfavorable opinion, or a very unfavorable opinion. If you don't feel you can rate that person or don't recognize the name, just say so.

Table 26-1

QUESTION 24:

Now, I am going to read you a list of words and phrases which people use to describe political figures. For each word or phrase, please tell me whether it describes our elected leaders in the state capitol in Madison very well, well, not too well, or not well at all.

Capable of solving the state budget deficit.

QUESTION 26:

Now, I am going to read you a list of words and phrases which people use to describe political figures. For each word or phrase, please tell me whether it describes our elected leaders in the state capitol in Madison very well, well, not too well, or not well at all.

Cares about people like me.

QUESTION 33:

I'm now going to ask you a question about public employee pensions. Some people say that it's understandable that public employees don't contribute to their pensions because public sector salaries are lower than salaries paid in the private sector. Other people say that public sector workers should contribute to their own pensions like everyone else. Which better describes how you feel.

QUESTION 36:

From what you know so far, which comes closest to your own view about the impact of the federal stimulus package here in Wisconsin?

The economic stimulus package has already created a substantial number of new jobs in Wisconsin.

It will create a substantial number of new jobs but hasn't done that yet.

It will not create a substantial number of new jobs.
